RE: Recommendation for Sign Industries Ltd

We feel honored to write this letter of recommendation for Sign Industries Limited of Dar es Salaam whom we have known for more than ten (10) years related to professional services.

Sign Industries Ltd have been providing us with most of our Signage and branding consultation, products, and services at all levels. Their professionalism and related skills have been very good, and we are very much satisfied with their products and services. They have also been very good in providing a strong back up and after sales service.

Without any hesitation, we would certainly recommend their services to anyone.

Signature.

Amin Dharsi

Head of Materials Management
