RE : RECOMMENDATION.

We feel honored to write this letter of recommendation for Sign Industries Limited of Dar es Salaam.

Sign Industries Ltd have been providing us with most of our Signages and branding consultation, products, and services at all levels. Their professionalism and related skills have been very impressive, and we are very much satisfied with their products, pricing and services. They have also been very good in providing a strong back up and after sales service.

Without any hesitation, we would certainly recommend their services to anyone.
