Dear Sir/Madam,

We are pleased to inform that Sign Industries Ltd. was awarded the contract for the rooftop illuminated external signs for the Kilimanjaro International airport in Tanzania. The signs were installed facing the parking side as well as the apron.

The job and workmanship was done professionally and very satisfactory which was executed within the scheduled time line. We also had a very good after sales support and we shall not hesitate to recommend Sign Industries Ltd of Dar es Salaam for their services to his potential customers.

Yours faithfully,  
For BAM International bv Tanzania
