Vector ▼

Ai · balloon icon · PDF

For Shape cutting, routing, Laser & Plasma cutting — *Please give Vector files*

CorelDRAW	Adobe illustrator	EPS	PDF	ArtCAM	SolidWORKS	AutoDESK	AutoCAD

Other compatible files;

MS WORD	EXCEL	POWERPOINT

▲ *When supplying us your vector files, convert all fonts to curves / outlines, or give us font files in .ttf*

▲ *LOGO should be given in a vector format, in case it's not available, then give us PNG files. If logo is given in PNG or JPEG and not clear enough, we will have to trace it and may result in slight variation. Extra tracing cost may be applicable*
