TO WHOM IT MAY CONCERN

We are pleased to inform that Sign Industries Ltd was awarded the contract for the design, manufacturing and installation of the KAMBARAGE HOUSE Rooftop signs on the building summit as well as Garden signs and at reception level and internal glass branding and frosting.

The job was delivered of very good quality and installation was done in a very professional manner which was done within the scheduled time. It's been more than 3 years now and the Signs are just as bright, and no breakdown has occurred any time however we have full assurance from the company of providing after sales service should that ever become necessary. Sign Industries Ltd has a strong reputation of fulfilling their commitments hence we have no doubt of their support when required.

Having said this, we shall not hesitate to recommend Sign Industries Ltd of Dar es Salaam to their potential customers for jobs related to signage and branding

Yours faithfully
